

## PRIVACY POLICY

Welcome to the St. Paul's School web site. We hope you find your visit to be helpful and that you find what you're looking for. The following discloses the information gathering and dissemination practices for our site (<http://www.sps.edu/>):

### INFORMATION GATHERING

We may use your IP (Internet Protocol) address to help diagnose problems with our server and to administer our web site by identifying (1) which parts of our site are most heavily used and (2) which portion of our audience comes from within the St. Paul's School network. We do not link IP addresses to any individually identifiable information. This means that user sessions may be tracked, but the users will remain anonymous.

### USE OF INFORMATION

The School uses the information gathered above to tailor site content to user needs and to generate aggregate statistical reports. At no time do we disclose site usage by individual IP addresses, though our web site is hosted by a third party provider which has access to the web site and the IP addresses of those who use it.

### SECURITY

This site has security measures in place to protect the loss, misuse and alteration of the information under our control.

The St. Paul's School web site contains links to other web sites not affiliated with the School. St. Paul's School is not responsible for the privacy practices or the content of such web sites, and encourages you to read the privacy statements of those other web sites.
