

ONE COMMUNITY: LIMITLESS OPPORTUNITIES

SPS GIVING DAYS 2023

Volunteer Checklist

Thank you for your commitment to St. Paul's School and for helping to get the word out in support of our students. Participation across the entire SPS community is the key — and that effort starts with you.

Here's what you can do:

- During Giving Days Feb. 15–16, make a gift of any size to The SPS Fund at www.sps.edu/alumnitogether.
- Check the Volunteer Management System to see progress — log in with your credentials at Givecampus.com/login.
- Email or text your formmates or fellow SPS parents to encourage them to participate.
- Post Join Together branded social media icons on your social profiles to share the giving campaign.
- Be sure to tag the School in any social media posts you make and include the link to www.sps.edu/alumnitogether.
- Create a matching gift on GiveCampus and challenge your network or your form!
